TABLE I.  
AREA, HOUSES AND POPULATION,  
**Jammu and Kashmir State Census 1921.**

---

1. The present area figures have been revised on the basis of information obtained from the Survey Department of the Government of India. The resultant decrease at this Census is  $174\frac{1}{2}$  square miles.

2. The total number of villages is exclusive of 176 uninhabited villages besides 29 inhabited villages which constitute the City of Srinagar and the towns of Kathua, Parol, Pampur and Skardu. The city and the towns so constituted have been included as separate units in the total of column 3.

3. The enumeration of Political *Ilqas* comprising the Gilgit Agency and known collectively as Frontier *Ilqas* (for details see Provincial Table I at the end of this volume) has again been conducted on special lines and the schedules prescribed for these *Ilqas* do not contain information as to the age, civil condition, birthplace, mother-tongue, literacy and infirmities. Information regarding religion and occupations also differs in detail from that available from the general schedules. The Frontier *Ilqas* will, therefore, not appear in some of the Imperial Tables.

4. Population figures for Tahsils and smaller units, including Political units composing the Frontier *Ilqas*, will be found in Provincial Table I at the end of this volume.

5. Scattered villages of the private *jagirs* of His Highness the Maharaja Sahib Bahadur and General Raja Sir Hari Singh are included in the totals of the Districts in which they are situated.

The population (2,111 persons) of the 3 villages constituting the Karlup *jagir* of the Raja of Punch has been included in the population of the Jammu District in which they lie, and not in the "Punch *Ilqa*" as was done at the last Census.

TABLE II.  
VARIATION IN POPULATION SINCE 1891.  
**Jammu and Kashmir State Census 1921.**

---

1. The first two regular Indian Censuses of 1871 and 1881 were not extended to this State, and the columns of population and variation relating to these two Censuses have, therefore, been excluded.

2. The population of 1891 has been adopted at 2,543,952 as shown in the India Table II of 1911, instead of 2,598,387 appearing in Kashmir Table II of 1911, as the latter represents the adjusted population of 1891, by adding the population of Frontier Ilakas ascertained for the first time in 1911.

The total population of Frontier Districts for 1891 has also been revised accordingly.

3. The abolition of Tahsil Astore in Gilgit District and the re-distribution of Ilaka Punch into 4 Tehsils—Haveli, Mahendar, Bagh and Sadhnoti,—have left the internal District totals unaffected.

#### TABLE IV.

TOWNS CLASSIFIED BY POPULATION WITH VARIATION SINCE 1891.

##### **Jammu and Kashmir State Census 1921.**

---

1. Besides the two cities, Srinagar and Jammu, the number of places treated as towns at the last Census has been reduced from 59 to 35, as a large number of these places not only failed to respond to the prescribed numerical test, but were nothing better than overgrown villages and devoid of characteristics usually associated with urban life.

2. Srinagar City falls in Class I with population exceeding 100,000, Jammu City in Class III and of the remaining 35 towns, only 7 belong to Class V with population ranging between 5,000 and 10,000. There are no towns of Classes II and IV.

3. The total population of towns in column 4 is the aggregate population in 1911 of the 35 places treated as towns alike in 1911 and 1921 and not the total population of the 59 towns of 1911.

4. The increase of 15,391 persons (males 8,226, females 7,165) in Srinagar is due partly to the transfer of two Villages, Zadibal and Buchhiwara to the City from the Revenue Tehsil after the Census of 1911. The adjusted population of 1911, so as to eliminate the effect of subsequent transfer of area, works out at 130,201 (males 70,419, females 59,782).

The only other town reporting change in area is Gilgit, but the net result is a decrease of only six houses, and, therefore, too unimportant for serious notice.

**TABLE XIII.**  
**CASTE, TRIBE, RACE OR NATIONALITY.**  
**Jammu and Kashmir State Census 1921.**

1. The present arrangement of this Table is different from that of the last Census in-as-much as it is not divided into three parts and instead of exhibiting a detailed classification of Castes, only such Castes, Tribes or Races were selected as were sufficiently numerous or important to represent the main composition of the population in its various social or economic grades.

2. Some castes profess more than one religion. In such cases separate figures have been given for each religion, with a caste strength exceeding 20, figures for castes below that number being thrown into the total of the main religion for that caste. Such additions have been explained by foot-notes.

3. Sub-Castes have as far as possible been added to the main castes concerned, and figures for minor and unspecified castes, etc., have been grouped under the head "Others."

4. Europeans and Anglo-Indians, having been separately dealt with in Table XV, have been omitted from this Table.

5. One European female falling under the category of "Indefinite Beliefs" has been shown under the head "Others."

6. Aryas and Brahmos are included in the Hindus for the purposes of this Table.
